21st Century Classrooms

Under the direction of a district-wide technology committee coordinated by Miss Sarah Orr (CHS business and computer instructor), and our superintendents, and after a year of planning, 21st Century Classrooms were put into place in our school. Miss Walker's fourth grade classroom, Mrs. Partridge's J.H. and H.S. Science classroom, and Miss Seltzer's H.S. English and Applied Communication classroom each received three student computer work-stations and one teacher computer work-station with large-screen TV monitor complete with computer programs and software. Each teacher was given special training in the operation and classroom/curriculum use of this new material and equipment.

These new classroom technology work stations will be used to develop instructional programs in preparation for gainful employment of all students in a high-tech economy. They will be used to reinforce the teaching and learning process as a remedial and instructional tool. As funds become available, every teacher will eventually have access to these work-stations when networking is put into place throughout the entire school. This will provide updated library resources, science equipment, desktop publishing, E-mail, teacher/student demonstrations, and labs. In short, Clarksburg School will enter the 21st Century with the newest of equipment and technology with ready access to all faculty, staff, and students K-12.

South Carroll Special School District (Clarksburg) received an incentive grant award of \$4,420.00 at the 21st Century School Award ceremony held in Nashville on Nov. 22.

Clarksburg High School, grades 7-12, received the award based upon TCAP scores, drop-out rate, promotion rate and attendance rate.

"The SCSSD Board of Education congratulates the entire 7-12 teaching staff for their hard work and dedication to promoting and improving education within the system," said Supt. Jerry Robison. "We would also like to commend the parents of our system for stressing the value of education to their children."

Robison said the school wants to encourage parents to continue high standards and goals for their children since a good education begins at home.

After 25 years of dedicated service to Clarksburg School as a cook, Mrs. Barbara White retired at the end of the 1993-94 school year. Mrs. White was the wife of Percy Fay White and the mother of Carol Roark, a 1971 CHS graduate and Donna DePriest, a 1974 CHS graduate. Mrs. Barbara was also the grandmother of six. Sadly, at the age of 60, Mrs. Barbara passed away on March 24, 1995. We will remember Mrs. Barbara for all her years of devotion to CHS food service. She will truly be missed by all.

Clarksburg High School celebrated their Homecoming activities during the week of January 23-27. In tradition with all other Homecomings at Clarksburg, there were door competitions, class competition, and Spirit competitions.

Each day held a different theme and students were encouraged to dress-up and participate. Monday was Western Day; the halls were filled with cowboy hats and the sound of spurs. Tuesday was Baggy Day. Wednesday brought out all the NBA and NFL jerseys and your favorite teams colors as everybody dressed up for Sports Day. Thursday was Crazy Day. The halls were a sight full of stripes, plaids, and loud colors. Nobody matched and all went wild. Finally, Friday everybody showed their Rocket pride.

The very much anticipated pep rally was held at ten thirty Friday morning. Awards were given for posters, doors, the most spirited class, and the most spirited teacher. The senior class won the door competition, the most spirited class, and the spirit stick at the pep rally.

The Homecoming festivities came to their height at the game

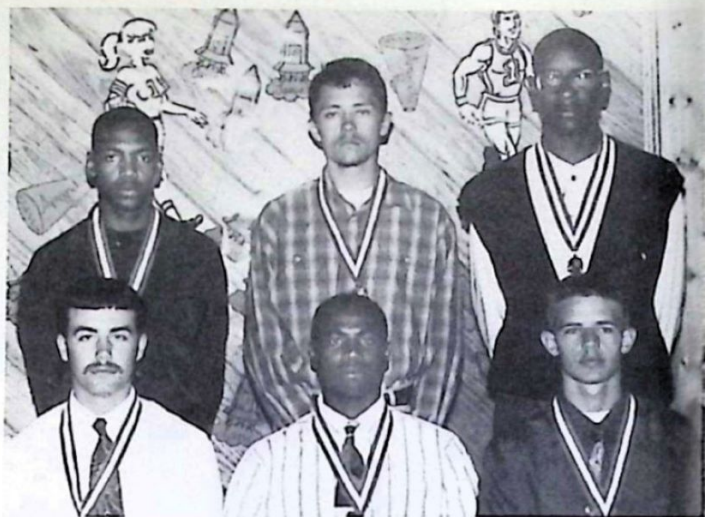

Friday night. Before the game the Homecoming court and queen were crowned.

After the Homecoming ceremonies, the Rockets and Lady Rockets faced district rival, the Dresden Lions. Friday night saw the Lady Rockets put up a hard fight and pull off a win. The Rockets fought hard but fell a bit short and lost their game.

Homecoming 1995 will always be remembered in our hearts and minds. Each class showed much spirit and participation. Always remember to show your Rocket Pride.

The CHS Basketball Banquet was held on March 31, 1995. The Banquet was held at Lexington's Western Sizzlin. At 7:30 p.m. Mr. Joe Dan Wooten welcomed parents, faculty, and students. Mr. A.D. Jarrett served as Master of Ceremony while Mistress of Ceremony was Ms. Phyllis Carden. The guest speaker for the evening was Ms. Lee Nunamaker. Season layouts were presented by Ms. Starla Renfroe, Bank of Huntingdon representative. Special awards were presented by Coach Joe T. Wood and Ms. Janice Lewis. Senior jackets were presented to the girls by Mr. Ray Hodge, Bank of Huntingdon representative, and senior jackets were presented to the boys by Mr. Billy Cary, Carroll Bank and Trust representative. Mr. Jerry Robison gave the final remarks of the evening.

For two years, Coach Joe Dan Wooten has coached basketball at CHS. On November 29, 1994, Mr. A.D. Jarrett stood before a crowd of spectators to present a plaque to Coach Wooten which read, "In appreciation of your commitment and dedication to Clarksburg athletic, 1982-94." We want to thank Coach Wooten for the years he spent making basketball a part of CHS.

The 1994-1995 school year saw the arrival of a new teacher and coach at CHS. After seven years of teaching and coaching at Bruceton, Coach Joe T. Wood came to Clarksburg. During his first year, Coach Wood has taught 7th and 8th grade math, American History, and P.E. He is the Senior class sponsor, the FCA sponsor, and the Student Council sponsor. At a sanatorium on the outskirts of London, Miss Lucy West suffers from some strange affliction. Her aunt, Dr. Quincy, a noted psychiatrist, calls in Professor Van Helsing, a specialist in obscure maladies. The diagnosis? Lucy is the victim of a vampire!

Suspicion falls on a mysterious neighbor who has recently purchased the eerie adjoining Carfax Castle. The new owner is COUNT DRACULA descendant of a noble Romanian family, now a creature of the night. He has come to England, with his frighteningly beautiful wives, to seek "new blood" after devastating the mountains of his homeland.

How Van Helsing defeats the villain, who is both a sophisticate and a demon, is the ultimate end to this play!

On November 22, and 23, 1994 Clarksburg Jr. Beta members attended the annual Beta Convention at the Opryland Hotel in Nashville. Eighth grade members who attended were Andrew Stokes, Christy Tucker, Brandy Hastings, Jamie Miller, Christie Galbraith, Misty Collins, Wendy Cary, and Paul Boals. The only seventh grade member was Caleb Boyd. Ms. Teresa Baker, our sponsor, and Dennis and Jeannine Stokes went as chaperones. Other members entered crafts, a banner, scrapbook, paintings, and then we entered a group talent show. Next year's theme for convention was the idea that we chose "Gateway to Success." We attended meetings Tuesday and Wednesday with other schools and listened to state sponsors and officers speak. Tuesday night we went to the dance. Wednesday we returned home. The trip was very fun and educational.

On Wednesday, April 26, the Clarksburg Jr. High Beta Club held an induction ceremony. The club officers gave speeches to welcome the new members. There were ten new members that received certificates from our sponsor, Mrs. Baker. After the ceremony there were refreshments in the cafeteria.

Career Day

Clarkburg School held their annual Career Fair Monday, April 24. Grades K-6 enjoyed "Careers On Wheels", which was held that morning.

Exhibits were provided by: the Carroll County Rescue Squad, the Carroll County Sheriff's Department, Cannon Construction, Carroll County Electrical Department, Clarkburg Fire Department, Fronabarger Farm, Eddie Stewart Trucking and Baptist Memorial Ambulance Service.

The Sheriff's Department and Rescue Squad gave a "Jaws of Life" demonstration, and a demonstration by Onyx, the drug dog.

As an added treat Fred Autry and Bill Fish provided wagon rides for the students.

In the afternoon, grades 5-10 attended career interest sessions presented by: Bethel College, McKenrie Technology Center, Jackson State Community College, Carroll County Vocational School, the Bank of Huntington, Norandul Cosmeology, by April Gooch and Melinda Belov, Baptist Memorial Hospital, Thomas Bradford Shirt Company and the Tennessee National Guard.

The Lexington Coca-Cola, represented by Andy Carroll, provided refreshments for all students grades K-12.

The school would like to thank all of the presoners for a wonderful job and the interest shown in their students.

Poem

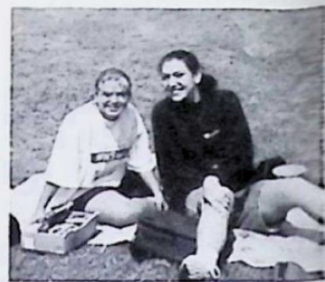

To The Seniors

Another year goes passing by
 Another Prom is here
 To some this brings a joyous smile
 To others, brings a tear.
 For four years you have tread a path
 From dawn to setting sun.
 But now the path gets steeper
 And the climb is just begun.
 We're very glad to know you.
 We'll miss you when you're gone.
 To the Class of '95
 We dedicate our prom.
